

This document provides the link to relevant resources to sign up for CRISP services or to obtain more information about those services.

Query Portal

- Contains clinical data from all 47 Maryland and 6 D.C. acute care hospitals, as well as numerous outpatient care settings. (Providers and approved staff may have access)
 - Lab Results
 - Radiology Reports
 - Transcribed Documents - discharge summaries, surgical notes, etc.
- **To Apply: Visit onboarding.crisphealth.org and click “Register”**

Prescription Drug Monitoring Program (PDMP)

- Available inside Query Portal; contains all CDS prescriptions (Schedule II-V) filled in Maryland
- Prescribers, dispensers and other licensed staff may have access
- **To Apply: Visit onboarding.crisphealth.org and click “Register”**

Encounter Notification Service (ENS)

- Real-time alerts sent to providers when their patients are admitted/discharged at hospital
- Alert delivery can be customized to match care workflow
- **To Apply: Email support@crisphealth.org with Subject “ENS Access”**

Direct Email

- Secure (HIPAA compliant) email service that allows patient information to be shared between CRISP and participating organizations (e.g., ENS alert messages)
- **To Apply: Email support@crisphealth.org with Subject “Direct Email Access”**

CRISP Reporting Service (CRS)

- Detailed readmissions, discharge, PAU, and MHAC data.
- **To Apply: Email support@crisphealth.org with Subject “CRS Access”**

*For General Support on all CRISP Services, please call [1-877-952-7477](tel:1-877-952-7477) or email support@crisphealth.org
