RE: Competitive Transformation Implementation Award Webinar

The Health Services Cost Review Commission (HSCRC) seeks proposals for **Competitive Transformation Implementation Awards** to improve care coordination and population health in support of Maryland's All-Payer Model. These Awards are intended to support and leverage a culmination of investments and activities related to partnerships, strategies, progress, and vision for care coordination and provider alignment in the State.

The Competitive Transformation Implementation Awards will be available to any Maryland acute care hospital that submits a successful RFP. The aggregate amount available for these awards is up to 0.25% of statewide revenue, although no hospital can receive more than 0.50% of the hospital's FY 2015 net patient revenue plus markup.

HSCRC will be hosting a webinar on August 6 to present a draft of the Competitive Transformation Implementation RFP and answer any questions related to the draft. After the webinar has concluded, all hospitals will be given the chance to submit suggested edits, comments, and questions on the draft and send to HSCRC by COB Friday, August 14. HSCRC will revise the RFP after considering the questions and suggested edits it receives. A final draft of the RFP will be released in late August.

Webinar Date/Time: August 6, 9:00-10:00am EST (*note: this webinar will replace the Transformation Support Learning Collaborative currently scheduled for the same date and time*)
